

Town rappresenta un nuovo skyline dell'abitare: è un mobile multifunzionale nato con l'obiettivo di comporre a proprio piacimento, in verticale e in orizzontale, a seconda degli spazi e delle esigenze, gli ambienti della casa. Town coniuga funzionalità ed estetica offrendo spazio per contenere, dai libri ai servizi per la tavola, per arredare con soluzioni adatte ad ogni necessità.

Mobile multifunzionale con la base singola, doppia o tripla con impiallacciatura e massiccio di noce canaletto e illuminazione a LED nella parte inferiore della base. Questa può avere l'inserito in marmo Afyon con retroilluminazione a LED o in particelle di legno con laccatura opaca satinata disponibile in 5 colori (tortora, tabacco, nocciola, coloniale, latte).

La struttura interna in particelle di legno è laccata opaca satinata in 5 colori con lo schienale impiallacciato di noce canaletto. I ripiani e i divisori sono in noce canaletto e i bordi e i frontali dei cassetti, con maniglia in metallo, guide scorrevoli a scomparsa ad estrazione totale dotate di sistema silent system, sono rivestiti in cuoio.

Nella versione verticale, la struttura del mobile può essere girevole o con anta a scomparsa. La struttura esterna della versione girevole può avere impiallacciatura e massiccio di noce canaletto con illuminazione a LED laterale, oppure un telaio in metallo verniciato color bronzo effetto naturale con cristallo trasparente accoppiato con un tessuto metallizzato. I ripiani inclinati dispongono di inserti metallici per appoggiare le scarpe, mentre la versione bar è dotata di una ripiano estraibile e ripiani porta bicchieri laccati opachi con finitura antiscivolo in 5 colori. La struttura esterna della versione con anta a scomparsa ha impiallacciatura e massiccio di noce canaletto con illuminazione a LED laterale. La struttura interna in particelle di legno è laccata opaca satinata in 5 colori a cui è abbinata un'anta a scomparsa con apertura destra o sinistra. L'anta è disponibile nella versione in noce canaletto o in cristallo bronzato temperato con bordo in noce canaletto. Entrambe hanno la maniglia in metallo verniciato color bronzo effetto naturale. Ogni elemento può avere diverse funzioni: a giorno, con ripiani e divisori in noce canaletto o con ripiano in cristallo bronzato temperato, con anta a ribalta e portasigari con umidificatore, con anta a ribalta e frigorifero, oppure con specchio circolare e cassetti con un ripiano estraibile e uno portacravatte.

Nella versione orizzontale, la struttura esterna è costituita da un telaio in metallo verniciato color bronzo effetto naturale con cristallo trasparente accoppiato con un tessuto metallizzato. Solo i cod. 80100 e 80101 hanno alcuni elementi girevoli, mentre per tutti gli altri sono fissi. Ogni elemento può avere diverse funzioni: con ripiani e divisori in noce canaletto, con cassetti o ante contenitore. E' disponibile la versione quadrata porta TV, fornita anche di due cassettoni: è predisposta di passacavi e possono essere utilizzati tutti i supporti porta TV da 40" a 50", inclusi quelli con sistema a braccio estraibile.

*Town represents a new skyline for living: it is a multifunctional piece of furniture that came into being with the objective of composing as preferred, in a vertical and horizontal way, depending on spaces and requirements, the rooms of the home. Town combines functionality and aesthetics, offering space to contain, from books to tableware, to furnish with solutions suitable for every need.*

*Multifunctional piece of furniture with a single, double or triple base with veneer and solid walnut canaletto wood and LED lighting on the lower part of the base. This one can have the insert in Afyon marble with retro-illumination with a LED lamp or in mdf with glazed mat lacquer available in 5 colours (dove-grey, tobacco, hazel, coloniale and milky).*

*The internal structure in mdf is glazed mat lacquered in 5 colours with the back in walnut canaletto wood veneer. The shelves and the partitions are in walnut canaletto wood, while the edges and the front sides of the drawers, with metal handle and with silent system total extraction receding guides, are covered with saddle leather.*

*In the vertical version, the cabinet frame can be swivel or with a rollaway door. The external structure of the swivel version can have veneer and solid walnut canaletto wood and lateral LED lighting, or a metal frame painted in a bronze colour with natural effect and transparent crystal glass joined with a wire fabric. The inclined shelves have metal inserts to place shoes, while the bar version has a removable shelf and shelves for glasses with an anti-slip mat lacquer in 5 colours.*

*The external structure of the version with a rollaway door has veneer and solid walnut canaletto wood and LED lighting on the side.*

*The internal frame in mdf is glazed mat lacquered in 5 colours and it has a rollaway door with right or left opening. The door is available in walnut canaletto wood or in bronze tempered crystal glass with the edge in walnut canaletto wood.*

*Both of them have the metal handle painted in a bronze colour with natural effect. Each element can have different functions: open element, with shelves and partitions in walnut canaletto wood or with bronze tempered crystal glass shelf, with flap door and cigar humidifier holder, with flap door and fridge, or with round mirror and drawers with one removable shelf and one with tie rack.*

*In the horizontal version, the external structure is made of a metal frame painted in a bronze colour with natural effect and transparent crystal glass joined with a wire fabric. Only cod. 80100 and 80101 have some swivel elements, while for all the other they are fixed. Each element can have different functions: with shelves and partitions in walnut canaletto wood, with drawers or cabinet with doors. A square version with TV mount and two drawers is available: it is equipped with cable holders and can support all TV mounts from 40" to 50", including those with pull out arm system.*
